## ONE DAY WORKSHOPS IN NSW

Comfort Inn, Cumberland St, Cessnock. 9.30am – 4.30pm

### Saturday 20th November 2010 – 'Romantica'

**Level:** Intermediate/advanced (must be proficient in right angle weave) **Kit:** USD\$90 payable on the day

Reminiscent of a Victorian Chatelaine, a variation of right angle weave comes together with a jewelled medallion to make this very romantic necklace. Several variations of the chain will be made using different sizes, materials and counts to create a diverse necklace.

Photos of class projects can be seen on the BSV website

### Sunday 21st November 2010 – 'Collared Elegance'

**Level:** Intermediate/advanced (must be proficient in peyote) **Kit:** Not available

This collar is a study in freeform techniques that result in a beautiful, wearable and versatile neckpiece. Given the many colour variations you will find it easy to wear with almost anything in your wardrobe. Created primarily with seed beads, this collar uses folds and layers of beads to give a supple texture. Marcia calls this technique soft peyote.

**Cost per class:** BSV Members – \$140  
Non Members – \$160
